

Alt Art Expo

Students at high schools in Midland County: Showcase your creative talents in any and all forms, including performance art, visual art, and video, during Midland's first Alt Art Expo. This collaboration between Creative 360, Those Phoenix Productions, and the Midland student-led group Alternative Arts in Public Schools, has the goal of recognizing and celebrating the creative work of local youth.

The *Alt Art Expo* will be held on Saturday, April 10th from 10:00 am to 6:00 pm at Creative 360 in Midland. There is no cost to students to have their work exhibited or to perform. A suggested donation at the door for public admission will benefit the DStreet Entertainment Foundation's Bandwagon program, which redistributes used musical instruments to local students.
